

EMPOWERING CHILDREN
WITH SPECIAL NEEDS
THROUGH THEATRE

Rise Up Arts Alliance provides access to high quality, relevant, and participatory arts and culture experiences for children and adults in Fairfield County and the surrounding communities.

Especially in the realm of children, we are focused on a positive educational process that can help them become better readers, learners and contributors to society.

We produce theatrical productions currently for children 5 years and up, including adults. Our mixed cast productions of students and adults help the students grown through our mentoring process. In addition, this year will be our first year as a chapter organization of The Penguin Project. The program provides a supportive environment for children with disabilities to explore their creative talents. It has also demonstrated that participation in the performing arts has therapeutic value by enhancing social interaction, communication skills, self-confidence and self-esteem. The impact of the program has reached beyond the stage to create a social network for children who previously had very few friends and limited social opportunities.

We invite you to support our artistic endeavors through sponsorships, attending events and becoming a member.

SPINAL CRAP

A ROCK AND ROLL SUPERGROUP TO DIE FOR

WRITTEN AND PRODUCED BY SCOTT GOTTLIEBSON

Welcome to Outerbelt Underground Radio as a gala announcement party on who will be named the lead singer for the new supergroup, Spinal Crap, being formed by The Manager. It is sure to be the talked about event of the season as the contenders anxiously await the big announcement, however, as The Manager raises a toast to the new rock and roll sensation, he is poisoned without naming the lead singer!

Could it be Veggie Loaf, the rodent out of hades with anger management issues? Time after time they say opposites attract so was it Betty Abdul or Veronica Lauper who just want to have murder? What do we need to try to understand what happened between Aorta's, Ann and Nancy, and the Magic Manager? Perhaps Rock and Roll's famous power couple with something to hide, Steven Taylor and Skeevey Chix, would a landslide of sweet emotion drive them to murder? Maybe it was The Roadie?

We certainly hope nothing goes wrong like someone gets murdered or anything ...
